Re: JMC Project 3023
Westchester University
590 Columbus Avenue
Town of Mt. Pleasant, NY

Dear Mr. Pearson:

We are in receipt of your letter dated April 27, 2006 concerning the proposed Westchester University sewage flows.

Please be advised that the Upper Bronx Valley Trunk Sewer and the Yonkers Joint Wastewater Treatment Plant have sufficient capacity to accommodate the anticipated 97,240 GPD of additional flow to be generated by the above captioned project.

Please contact the undersigned at 813-5432 if you need further information.

Very truly yours,

John K. Devany
Construction Coordinator

CC: Thomas J. Lauro, P.E., Director of Operations
Jagdish Mistry, P.E., Deputy Director, Wastewater Treatment
Lucas Herbert, Planning Department
